

Mandatory Development and Training Completed by Board Members

All Illinois school board members must receive training in **Professional Development Leadership** (P.A. 97-8) and the **Open Meetings Act** (P.A. 97-504). Mandatory training will also be required after new teacher evaluation requirements are implemented by the school district.

The following table contains the mandatory training and development activities that have been completed by our district board members. This list will be updated as board members complete and submit their training activities to the board secretary.

Go to <http://www.iasb.com/training/mandatoryboardtraining.pdf> to see a chart that outlines the state's mandatory training requirements, who must receive it, and the timeline for completing those courses.
