

Christ United Methodist Church, Silvis Campus Food Pantry

Location: 1301 2nd Avenue, Silvis

Handicap Entrance: Street entrance parking and walk-in on ground level on north side of church

The food pantry will be open every Monday and Tuesday (9:00 am-3:00pm)

Visitors need to bring with them a photo identification card and an article of printed mail (example: utility bill) that would verify that they are a Silvis resident. Current information is then placed in our computer software program and information updated on a monthly basis. Food pantry visitors may participate in receiving food/supplies on a monthly basis.

Visitors can expect:

- 1) ...to experience an atmosphere of care and respect from all food pantry volunteers.
- 2)a quantity of food that would provide meals for approximately one week.
- 3) ...an opportunity to pick and choose from available food items. All individuals will be “shopping” for the items they will receive for their families.

Food items from which to choose: canned fruit and vegetables, pastas, rice, soups, meat, milk, eggs, peanut butter, jelly, pancake mix with syrup, seasonal fresh vegetable items from the Silvis Community Garden, variety of baked goods furnished by the Silvis Hy-Vee, available donations from participating restaurants. The food pantry will be partnering with River Bend Foodbank. Distribution of government food commodities will also occur.

If individuals or organizations who are interested in supporting this food pantry ministry with contributions of food/monetary gifts or want to volunteer time and talents, they may contact Christ United Methodist Church.
