

April 2018

From Health Office Northeast Junior High

Dear Parents,

We will be offering American Heart Association Heartsaver (CPR) training for all our students at Northeast Jr High. The CPR training will include adult, child, and infant. The class will be after school on **Wednesday, May 2nd, 2018 from 2:00-3:00 in the PBL area at Northeast Jr. High.**

This is a free class, but if your child wants a CPR card, please indicate below and enclose \$5.00 (cash) for the cost of the card. Cards need to be sent to an email address in order to claim them. Please provide an email address below if your child wants a card.

Transportation needs to be provided home. Please sign, provide email address, and return to me (school nurse) by April 25. 2018

Any questions or concerns, please feel free to contact me at 203-1303.

Thank you,

Shari Gall RN
